

## Café de Prague

The main objective of our event “Café de Prague“ is to talk and exercise your knowledge of French or Czech (for foreigners) in the pleasant and relaxed atmosphere of the non-smoking bar “Big Lebowski” (Slavíkova 16, Prague 3 – Žižkov).

The meetings are organized as a language atelier when everybody decides in which language wants to express himself/herself (possible only in Czech or French at the moment). The conversation at each table is led by a native speaker who interferes in discussions only if it is necessary. The topic of the conversation is free.

This kind of teaching a language is situated somewhere between a classic lesson and a free conversation in a bar. It facilitates to everybody to discuss and to gain the information without a stress (the aim of participants is talking in a foreign language, i.e. they are tolerant of possible errors). There is no rigid framework of a classic lesson.

**Café de Prague** is convenient not only for false beginners (A1) but also for experienced speakers.

The participants are split in small groups according to their knowledge, if it is needed.

The admission fee is 100 CZK. The fee for students is 50 CZK. The fee for students of language school Belécole is fixed at 50 CZK.

The number of places is limited. Therefore we recommend making a reservation.

**The meeting will be held on Thursday, 12<sup>th</sup> April 2012,  
from 6 to 7:30 p.m.  
And then every Thursday at the same time.**
